Sir,

With reference to government
Sl 4 Order no 13139-41 / Ed 414 dated 5th June 1896, I
have the honour to state that the Office
of Pandit itself in our High Schools and Colleges
should be greatly improved The Office holder
should combine in him erudition in the
Vernacular with sufficient knowledge
of English to teach reciprocal translation
from English to Vernacular and vice versa
It is therefore necessary to attach to it a pay
sufficiently attractive to such men I
agree with Mr Cook's opinion in this respect
As for Sanskrit — Several are available

in the Department with such double qualifications but they are otherwise employed as Professors because those appointments are more adequately paid Considering the small number of our Colleges and High Schools, I would recommend that a liberal scale of salary be adopted - more so or especially so in case of Sanskrit

I have the honour to be,

Sir,

Your most obedient Servant.

OFFICE OF THE ~~SECRETARY TO THE GOVT. OF MYSORE~~ INSPECTOR OF EDUCATION DEPARTMENT,
~~Bangalore~~ Mysore, 11th July 1896. CRE

From

H J BHABHA Esq,
INSPECTOR ~~Secretary to the Govt. of Mysore Education Department~~

To

The Secretary to the Government of Mysore,
General and Revenue Departments,
Bangalore.

Sir,

With reference to your docket No 279 Ed 18 dated the 7th July 1896, I have the honour to recommend the following scale of salaries for the Pandits and Munshis of Colleges and High Schools

I class, Rs 45 660 rising by annual increments of Rs 3 [Four places to be reserved for the Kannada and Sanskrit Pandits of the Central College and the Maharaja's College]

II class Rs 30 to Rs 45 rising by annual increments of Rs 3 [To be reserved for the Kannada and Sanskrit Pandits of the Shimoga College, and the Hindustani Tamil and Telugu of the Central College and the Maharaja's College At present the number of places in this class will be seven as there is no Telugu Pandit for the Maharaja's College]

III class, Rs 20 to 30 rising by annual
increments of Rs 2 [To be reserved for all
Pandits and Munshes of High Schools and
the assistant Pandits of the Central College
and the Maharaja's College At present
there will be 19 places in this class]

2 I consider the above scale to be quite
adequate If sanctioned it will greatly
improve the prospects of Pandits and
Munshes At present the chief reason of
discontent is the slowness of promotion by
biennial increments These I have
replaced by annual increments The
Pandits of the Shimoga College should be
men selected for their eminence in learn-
ing who may hope to be Pandits at Bangalore
and Mysore in course of time, and not
necessarily the men employed at present
in the College

3 I think it my duty to bring prominently
to the notice of Government the claims of Pandits
P Tirumalachar and Kanbasappa who
are respectively Sanskrit and Kannada
Pandits of the Maharaja's College They are
both men distinguished for learning and
have large classes to teach They have

worked hard and with great success for many years. If there be no immediate prospect of their being included in Class I as suggested above I would recommend that Government may be pleased to raise their pay from 1st July 1896 to Rs 44 and include their names in the present Class I of Pandits and Munshes. The present pay of Pandit Tirumalachar is Rs 35 and that of Pandit Kareivarappa Rs 31.

4 It is hardly necessary for me to add that if Government are pleased to sanction the new scale recommended above, the nominal list of Pandits will have to be revised and the pay of each Pandit made to agree with the new rates of increment

I have the honour to be,
Sir
Your most obedient servant
